

Nottinghamshire Neighbourhood Watch (NottsWatch) is a registered charity, funded by grants from Nottinghamshire County Council (historically, Nottingham City Council) and the Nottinghamshire Police & Crime Commissioner.

We also benefit greatly from ongoing support in having CI Richard Stapleford, Lead for Citizens in Policing, Chris Thompson, Nottinghamshire Police Partnership Team and Yvette Armstrong, Community Safety Officer for Nottinghamshire County Council, as active members of our Management Team Board.

Without these organisations, NottsWatch would be unable to continue to support, develop and create neighbourhood watch schemes throughout Nottingham and Nottinghamshire and improve communication and relationships within the community.

We thank them unreservedly for their invaluable contribution.

If you are interested in becoming a Partner or financial Supporter of NottsWatch, please email sponsorship@nottswatch.co.uk

Nottinghamshire Police recognise NottsWatch as the appropriate organisation to represent Neighbourhood Watch within the City of Nottingham & the County of Nottinghamshire, and make every endeavour to achieve its aspirations and objectives. To View their website, click [here](#).

Nottinghamshire County Council is committed to working in partnership with NottsWatch, ensuring the continued strategic development of Neighbourhood Watch is developed throughout the County of Nottinghamshire, in creating safer and cohesive communities. To view their website, click [here](#).

The office of the Nottinghamshire Police & Crime Commissioner oversees the police and ensures that they are prioritising what matters to Nottinghamshire residents. Our P&CC, Paddy Tipping has supported NottsWatch financially and by speaking at our annual conferences. To view their website, click [here](#).

Neighbourhood Watch Network – NottsWatch are licenced to act in Nottinghamshire by our National Neighbourhood Watch organisation, who are funded by the Home Office. Their Website, offering safety advice and resources, can be viewed by clicking [here](#).
