Nottingham Neighbourhood Watch
(NottsWatch®)
Conference and AGM 2018

To be held at:
The Towers Mansfield
Botany Avenue, Mansfield, Nottinghamshire, NG18 5NG

We try to accommodate our members throughout the city and county and have selected this venue as it is easy to drive to (off the A38 the main road into Mansfield), offers free parking plus good public transport links.

Taking our lead from the National Neighbourhood Watch Network and in support of the new Mansfield and Ashfield Neighbourhood Watch Scheme (whose aim is to strengthen existing neighbourhood watch structures) this year's theme will be
Connect 2 Protect: Keeping Safe and Well
